

Updated MAP Policy Now in Effect

June 1, 2023

Dear Pfister Seller,

Our updated and unilateral Pfister United States Minimum Advertised Price Policy ("MAP Policy") is now in effect. Please review the attached MAP Policy if you have not already done so.

Any questions regarding the MAP Policy that are not answered in the MAP Policy itself should be submitted in writing and directed to Pfister's MAP Policy Administrator at pfister.imap@spectrumbrands.com.

We thank you in advance for your cooperation and assistance and for your continued support of Spectrum Brands, Inc. and our Pfister brand.

Sincerely,

Spectrum Brands, Inc.

PFISTER UNITED STATES MINIMUM ADVERTISED PRICE POLICY

Effective Date: June 1, 2023

1. Purpose

Spectrum Brands, Inc., for its Pfister® brand of products (“Pfister”), has determined that certain advertising practices undermine Pfister’s trade reputation, goodwill, and premium image with its target consumer population and discourage Pfister’s sellers from investing in the Pfister product lines and providing the best possible service and support to customers. To protect the integrity of the Pfister brand, we are implementing this unilateral Minimum Advertised Price Policy for the United States of America (“Policy”), which applies to all authorized sellers (“Seller”) of our Pfister products advertising to end user consumers in the United States. This Policy supersedes all of our prior policies and/or representations regarding minimum advertised prices or resale prices for the Pfister Covered Products (as defined below) applicable to Sellers.

2. Covered Products

This Policy applies to advertisements of our Pfister products listed on the attached *Pfister Covered Product MAP Schedule* (“Pfister Covered Products”). The Pfister MAP Schedule will be made available to all Sellers and may be changed by us at any time in our sole discretion. Sellers are responsible for reviewing the current Pfister MAP Schedule, but we will work to promptly notify Sellers when updates are made to it.

3. The Minimum Advertised Price

The “minimum advertised price” (“MAP”) is the lowest price at which the Pfister Covered Product may be advertised. Pfister is solely responsible for (1) establishing the minimum advertised price (“MAP”) for each Pfister Covered Product and (2) communicating the MAP to all Sellers (including via directing distributors to pass down this Policy to their reseller customers). **While Sellers remain free to advertise and sell all of our Pfister products (including the Pfister Covered Products) at any price, it is a violation of this Policy for a seller to advertise any Covered Product at a price lower than the MAP.**

4. Advertising and Advertisements

For purposes of this Policy, the terms “advertising” and “advertisements” include all promotional or pricing information of Covered Products displayed in any type of media, including, but not limited to:

Print Advertisements (Nationally circulated/aired/distributed)	Print Advertisements (No geographical restrictions)	Online Advertisements
• Newspapers • Catalogs • Magazines • Flyers • Brochures • Television • Radio ads • Billboards	• Outdoor signage	• websites • blogs • social media • affiliate marketing networks/comparison shopping engines • mobile/smart phone applications • banner ads • online product ads • paid search ads • pay-per-click ads • display ads • mobile ads • product listing ads • sponsored links • ads in any other media in a digital format that is conveyed via the Internet

		• seller-initiated text messages or emails to customers or prospective customers
--	--	--

The terms “advertising” and “advertisements” do not include:

- Signage displayed within a brick-and-mortar selling location; and
- Pricing information displayed at the Final Online Checkout Stage (which is when the Pfister Covered Product is put into a shopping cart that contains the customer’s name, shipping address, email address, and payment information of a transaction). Please note that pricing information in the Final Online Checkout Stage must be obscured technically so that it is not retrievable by shopping and pricing engines and not displayed on search page results within the Seller’s own website.

5. Policy Violations

Advertisements that violate this Policy include, but are not limited to:

- Displaying the advertised price of the Pfister Covered Product below the MAP.
- Offering coupons, discounts, rebates, or other inducements that, when applied, result in an advertised price lower than the MAP, including through use of a storewide sale, category-wide sale, website-wide sale, promotional code, or other similar provision that can be applied to the Pfister Covered Products.
- Bundling Pfister Covered Products with other products or services (whether made by or provided by Pfister or another entity) in a manner that implies below-MAP pricing for the bundled Covered Product(s).
- Strikeouts or strikethroughs of advertised pricing information, “see price in cart,” or other statements that suggest a lower price for a Covered Product may be found at the Final Online Checkout Stage.
- Permitting any third party to alter the advertised price for any Pfister Covered Product.
- Direct or indirect attempts to circumvent this Policy.

It is NOT a violation of this Policy to advertise:

- That a customer may “call for price,” “text for price,” or “email for price,” as long as no price is listed and no automated call, text message, or “bounce-back” email is used in response.
- A free or reduced-price shipping advertisement as long as such offer applies to all or almost all other products offered by the Seller in the same product category.

6. This Policy Is Not an Agreement and Is Non-Negotiable

This Policy does not constitute an agreement between Pfister and any other entity. We do not seek and will not accept any promise of compliance with this Policy from any Seller or other party, and each Seller must independently choose whether to comply with this Policy. This Policy is not negotiable and will not be altered for any individual Seller.

7. MAP Holidays

We may announce MAP holidays or promotions that are applicable to all Sellers, during which periods a Seller that advertises a Covered Product in compliance with the terms of the MAP holiday will not be considered to have violated this Policy.

8. **Noncompliance**

Pfister will take the following actions against any Seller that fails to comply with this Policy:

First Violation	Written warning.
Second Violation	Written warning.
Third Violation	Written warning and a 30-day shipping hold for all Pfister Covered Products. Pfister will notify the Seller in writing of such failure and will immediately place the Seller's account on a shipping hold/Do-Not-Sell List for thirty (30) days for all Pfister Covered Products. Pfister or its Authorized Distributors will not accept any new orders for all Pfister Covered Products from the Seller during this 30-day period.
Fourth Violation	Written warning and a 90-day shipping hold for all Pfister Covered Products. Pfister will notify the Seller in writing of such failure and will immediately place the Seller's account on a shipping hold/Do-Not-Sell List for ninety (90) days for all Pfister Covered Products. Pfister or its Authorized Distributors will not accept any new orders for all Pfister Covered Products from the Seller during this 90-day period.
Fifth Violation	Pfister will terminate its business relationship with the Seller with respect to the Pfister Covered Products and place the Seller on the Do-Not-Sell List, as applicable. Pfister or its Authorized Distributors will not accept any new orders of the Pfister Covered Products from the Seller.

We will enforce this Policy in our sole discretion. Sellers have no right to enforce this Policy.

9. **Policy Administration**

We may update, revise, suspend, or otherwise modify this Policy at any time in our discretion, and any modifications will be made available to all Sellers.

Please note that our employees or agents cannot modify, interpret, or grant any exceptions to this Policy; cannot solicit or obtain the agreement of any person or entity to comply with this Policy; and cannot otherwise discuss any aspect of this Policy with any Seller, including any Seller's compliance with the terms.

Any questions about this Policy should be sent in writing to our MAP Policy Administrator at pfister.imap@spectrumbrands.com. We will not accept any other form of communication from Sellers regarding this Policy.
