## CERTIFICATES

All Pfister® lavatory faucets that begin with "LG" meet California's lower flow rate regulations of 1.8 gpm @ 60 psi per the new California Plumbing Code.

Compliant with California and Vermont drinking water legislations. Meets NSF 61/9 Annex G Lead Requirements.

Many Pfister® products are rated to meet or exceed CALGreen criteria, which reduce the overall use of potable water within the building by at least 20%.

Models displaying the International Symbol of Accessibility are accessible by physically disadvantaged persons and meet all ADA/ANSI A117.1 requirements. The ADA symbol applies to valve control only.
